Rhino Horn Theft, Michael Slattery, Jr.

Please accept this letter in an effort to further inform you about the illegal activities of the Slattery's, Michael Slattery, Jr., and the rest of these Irish Travellers from Rathkeal, Ireland.

Back in 2018, I was awarded now totalling over a \$1,000,000 Judgement in Baltimore Circuit Court (see attached) against this boys father & mother, ( Michael Slattery, Sr. of Rathkeal, Ireland), and Wm. Holden of Yonkers, N.Y. (a convicted ex-con), for the theft of a \$40,000 antique table from my antique gallery, here in Baltimore.

FYI, Wm Holdens wife is an O'Brian (from Rathkeal) and her nephew Richard 'Kerry' O'Brian, Jr., Michael Slattery's Jr. cousin, is the Rhino Horn thief who was convicted in Denever, Colo., back in 2010 for stealing/dealing in stolen rhino horns.

These Irish Travellers from Rathkeal are a small world of big time thieves who have been victimizing people all over the world, from France, Italy, Poland, to Australia to now New Zeland. Their exploits are well documented in two (2) books by the Irish Sunday World news reporter, Eamon Dillon.....Please see: "Gypsy Empire" & "Exposing the Underworld of the Irish Travellers"

There are at least four (4) Irish Traveller family names, that are all connected to crime and to be looked out for. They are; "Slattery", "Sammy 'Buckshot' Quilligan" (a very weathly antiques dealer), "O'Brian" & "Sheridan" (he is actually Richard 'Kerry' O'Brian, Sr. and changes his name at will) . Some of their dealing are well documented in the above books.

The reason that this young man was crying in your Courtroom, besides possibly being a big act, is that his father was arrested coming thru JFK airport back in 2007, in the matter of the table that he stole from me, and was incarcerated in the Queens jail. While in jail, several fellow inmates beat the father up and put him in the hospital for several days.

My reason for contacting you here with all of this, is that it would be my suggestion, that part of his sentence for these Rhino Horn thefts, that he be Deported, and never to be allowed back into this country. Several countries, including Australia, have a history of doing this to other Irish Travellers from Rathkeal who have victimized their citizenry.

If I can provide any additional information here, then please do not hesitate to contact me.

Respectfully,  
  
Elmer Mack
